

"Ss. Cyril and Methodius" University in Skopje

**FACULTY OF ELECTRICAL ENGINEERING
AND INFORMATION TECHNOLOGIES**

Letter of recommendation

20 October 2025

To whom it may concern,

It is with great enthusiasm that I recommend Ms. Patrícia Szabó for admission as a postdoctoral researcher in your institution.

I had the pleasure of working with Patrícia Szabó as part of the working group in the COST Action CA19104 – Advancing Social Inclusion through Technology and EmPowerment (a-STEP). Throughout our collaboration, Patrícia consistently stood out as a dedicated and dependable team member. She approached tasks with enthusiasm, contributed thoughtful ideas to discussions, and showed a strong commitment to achieving the goals of the Action. Her collaborative spirit, professionalism, and problem-solving skills made her an invaluable part of our group.

I am confident that Patrícia will bring the same energy, expertise, and reliability to any future research or professional endeavor, and I strongly recommend her. I would be very glad if my letter of recommendation proves beneficial for her application.

Please do not hesitate to contact me if you have any questions.
